```

## OUTPUT:

The screenshot displays a web browser window with the address bar showing 'loginpage.html' and the file path 'C:/Users/SANIAY/Desktop/loginpage.html'. The page title is 'Real time river water quality monitoring and controlling system'. Below the title is a 'Login Form' section. A green 'Login' button is visible. The login form itself is a light gray box with a title bar 'Real time water quality monitoring system'. It contains two input fields: 'Username' with placeholder text 'Enter Username' and 'Password' with placeholder text 'Enter Password'. To the right of the password field is a text input containing '<123gh@>' and a green 'Login' button with a checkmark. Below the password field is a 'Remember me' checkbox. At the bottom left of the form is a green 'Cancel' button, and at the bottom right is a link 'Forgot password?'. The Windows taskbar at the bottom shows various application icons and the system clock indicating 02:01 PM on 13-11-2022.
